SCHOOL INTRODUCTION

Know yourself, Open up the future.

Chiken Mirai Academy is a Japanese language school that opened in Naniwa-ku, Osaka in April 2023.

The school will not only help students learn Japanese language, but also build a foundation for them to fully understand Japanese culture, be cooperative with the Japanese community, and become active members of Japanese society.

Our educational philosophy is to give students the ability to develop their own lives through their studies at our school.

MESSAGE FROM THE PRINCIPAL

I am very happy that you have chosen Japan as your study abroad destination and have picked up this brochure of Chimi Mirai Academy.

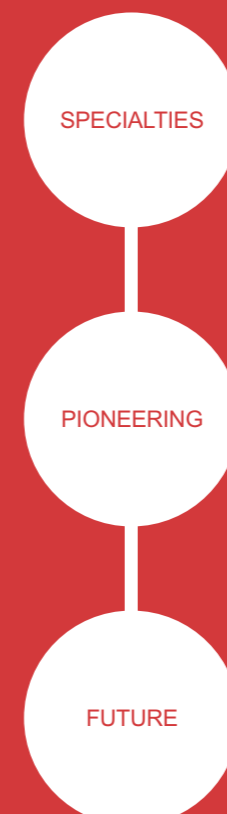

Chimi Mirai Academy was established with the aim of creating an open school where all of you can work positively in everything you do.

Our curriculum is designed to help students acquire not only the four basic skills of reading, listening, writing, and speaking, but also Japanese language skills in areas of interest to each student. We also have a staff that will work with you to solve any problems you may encounter in your daily life, while respecting your point of view.

Please look forward to meeting new friends, believe in yourself, and take the first step toward your future dreams here at "Chimi Mirai Academy".

To the families in your home countries, we hope that you will join us in helping these students who have made up their minds to study abroad to cultivate the strength to open up the future and to play an active role in their home countries and in Japanese society in the future.
